

Join our team

Associate Director, Innovation

- Fixed term, 12 month contract commencing 17 August
- \$116,006 plus 17% superannuation
- Based at JCU Cairns
- Work collaboratively with a variety of stakeholders

What you can accomplish in the role

The Associate Director will provide strong, effective, leadership, management, mentoring and professional development to staff within their own team, establishing a culture of teamwork, transparency and openness, and maintaining strong communication channels at all times. Working collaboratively with key academics from across the university, the Associate Director, Innovation will lead thematic innovation and entrepreneurship activities to ensure synergistic innovation activities across all campuses.

What you will bring to the role

With your strong leadership skills and entrepreneurial flair, you will have the ability to shape and lead strategic thinking, including an ability to inspire a sense of purpose and direction. Your extensive experience in business and strategic planning, stakeholder engagement and consultation coupled with the ability to work with diverse groups with competing interests will see you achieve mutually beneficial outcomes and be instrumental in the success of JCU connect.

Why JCU

Consistently ranked in the top 2% of universities worldwide, JCU is one of the world's leading institutions focusing on the tropics and offers a culturally diverse working environment with opportunities for professional and personal growth. JCU prides itself on being dedicated to teaching, learning and research that is not only high quality, but also delivers practical benefits to the peoples and industries of the region.

We support our people through the provision of:

- generous superannuation scheme with 17% employer contributions
- ongoing professional and career development
- five weeks' annual recreation leave
- attractive options for salary packaging
